The Sonos Multi-Room Music System lets you play all the music you want, all over your house and control it all from the palm of your hand. With wireless ZonePlayers in the rooms of your choice and a Sonos Controller in hand, you can add music to every part of your life and every room in your house. Sonos gives you instant access to millions of songs and stations — including music files stored on your computer, thousands of free Internet radio stations, and the most popular online music services. Simply grab a Controller and pick a room, pick a song and hit play. (103)

The Sonos Multi-Room Music System lets you play all the music you want, all over your house—from the bedroom to the backyard—and control it all from the palm of your hand. It's the first wireless multi-room music system of its kind and it's going to change the way you listen to music at home. With a Sonos Controller in hand, your entire music collection, Internet radio and online music services are at your fingertips. And with Sonos ZonePlayers in all the rooms where you want music, you can simply pick a room, pick a song and hit play. (99)
